INSTRUCTIONS FOR EVALUATORS:

- Most of the questions are MCQs and the child can be given marks if the answer is ticked or circled.
- In UKG wherever writing of answer is involved check spellings. If two or more letters of the word is wrong, reduce half mark.
- If it's a colouring question see to that, full marks is given only for within the lines - completely coloured picture. If not reduced half marks.
- See to that ambiguous tick marks or circling are not given marks.
- Write the total marks on the top of page 1 after evaluation and put your signature.
